

Large Projects Awards – 2003B

Project Nbr	Sector	District	Project Manager	Project Name	Neighborhood Organization	Neighborhood	Match Amount	NMF Amount	Project Count
B03027	Southeast	Greater Duwamish	Sheppard	Benefit Park Improvement Project	Friends of Benefit Park	No	\$100,000	\$100,000	
Description: The Benefit Park Improvement Project entails the initiation and completion of construction projects necessary to improve the safety, beauty, and usability of the park. The project is spearheaded by a neighborhood volunteer organization, Friends of Benefit Park, and fiscally managed by the Seattle Parks Foundation.									
B03028	Northeast	Northeast	Ruth	Meadowbrook Play Area Renovation	Friends of Annie's Playground	No	\$86,660	\$86,000	
Description: The project is a renovation of the Meadowbrook Play Area, to provide a new playground for children of all ages. The plan includes playground design and installation of new play equipment, circulation paths, seating areas, and									
B03029	Northwest	Ballard	Ames	Salmon Bay School Sports Field	Salmon Bay Sports Field Committee	No	\$90,000	\$90,000	
Description: Working in partnership with the Seattle School District and the City of Seattle Departments of Parks and Recreation and Neighborhoods, this project will convert an asphalt-covered, 350' x 200' school yard into an artificial turf, mixed-use sports facility, including a U-10 soccer field, 1/4 K track, and basketball area. Construction drawings and specifications are in place.									
B03031	West	Lake Union	Sheppard	Cascade Eco-Renovation Project	Cascade Neighborhood Council	Yes	\$398,486	\$35,000	
Description: The objective of the project is to transform a 4,000 sq ft community center in the heart of the Cascade neighborhood into a vibrant, environmentally responsible, learning/gathering center. The eco-renovation will use sustainable design principles and incorporate hands-on demonstration projects such as utilizing sunlight for electricity, harvesting rainwater, green roofing, a living machine for on-site waste treatment, etc. Contractors will complete major structural elements of the renovation, while community volunteers, local schools and universtiy students will work to complete smaller projects.									
B03033	Northwest	Northwest	Sheppard	Greenwood Sidewalks Project	Greenwood Community Council	Yes	\$100,000	\$100,000	
Description: The goal of this project is to build sidewalks and calm traffic on streets connecting the new Greenwood Park with the neighborhood business district. These several square blocks have heavy pedestrian use, and very heavy cut-through traffic.									
B03034	West	Magnolia/QA	Morris-Lent	Magnolia Gateway Implementation Project	Magnolia Chamber of	No	\$76,395	\$68,000	
Description: The aim of this project is to create an inviting link between Magnolia's business center and the adjacent park facilities to the north. We will contract with a pair of local metal artists to create the centerpiece of the project, a gateway featuring blossoms of our neighborhood's identifying plants: magnolia and madrona.									

Project Nbr	Sector	District	Project Manager	Project Name	Neighborhood Organization	Neighborhood	Match Amount	NMF Amount	Count
B03036	Southeast	Southeast	Takekawa	Hitts Hill Urban Forest Reclamation	Friends of Hitts Hill	Yes	\$50,540	\$50,000	
Description: This project would further rehabilitate a former industrial site into a healthy urban forest/community park in the Rainier Valley. Our neighborhood group would implement a Parks approved vegetation management plan, address boundary and security concerns, engage in community outreach, install approved site enhancements, and develop partnerships for future work.									
B03039	East	East	Owens	Expansion and Beautification of Town Hall	Town Hall Association	Yes	\$177,609	\$75,000	
Description: This project will create a new performance/forum space at Town Hall, a community cultural center on First Hill, along with making upgrades to the building exterior. By offering another venue option, and improving the visibility of the center, Town Hall will better serve its users and neighborhood.									
B03040	Northwest	Northwest	Ames	Whittier Pocket Park	6th Avenue NW Pocket Park Association	No	\$90,000	\$90,000	
Description: This project will build a multi-use neighborhood pocket park on nearly one-quarter acre, including natural play elements, sitting areas, open lawn space, walking path, and raised community "stage." The park is designed to accommodate the diverse ages and cultural interests of our residents in the Whittier/Lower Phinney/Greenwood neighborhood.									
B03043	Northwest	Northwest	Ames	Sandel Park Activity and Safety	Friends & Neighbors of Sandel Park	Yes	\$119,070	\$100,000	
Description: Friends and Neighbors of Sandel Park would like to begin construction of improvements that park users, the Greenwood community, Parks Department and the Seattle Police Department have identified will help increase the safety and enjoyment of our neighborhood park. Improvements include reconfiguring and enlarging the current play area for better visibility and increased play value, resurfacing and other improvements to the basketball court, securing entrances to the restroom building, increasing lighting in critical areas, increasing visibility into the park and increasing opportunities for more positive active and passive									
B03046	Southwest	Delridge	Carlson	CAY South Delridge Latino Organizing Project	Community Alliance for Youth	No	\$19,400	\$34,400	
Description: This project will create a Latino neighborhood club which will meet monthly, interview Spanish-speaking families on their perspectives on public safety and other related issues, and connect the Latino community to existing neighborhood organizations.									
B03048	Southwest	Delridge	Ames	Sanislo/Neighborhood Walkway Project	Neighbors of 21st and 22nd Ave SW	Yes	\$42,228	\$38,100	
Description: This neighborhood physical improvement project will build a walkway to improve public safety along 21st Ave SW and Sanislo School. This residential street currently has no sidewalks or drainage improvements. There are significant pedestrian and traffic safety concerns due to topography, adjacency to Sanislo and a new low-income/homeless transitional housing development.									

Project Nbr	Sector	District	Project Manager	Project Name	Neighborhood Organization	Neighborhood	Match Amount	NMF Amount	Project Count
B03050	West	Magnolia/QA	Morris-Lent	Kiwanis Ravine-Wolfe Creek Restoration/Stabilization	Heron Habitat Helpers	No	\$56,096	\$37,089	

Description: The project will restore native vegetation, regenerate Wolfe Creek shoreline, and stabilize steep slopes in Kiwanis Ravine's great blue heron rookery. Dumped material and invasive plants will be removed. The management and monitoring plan which will be followed retains existing native trees and provides a template for mixed-forest restoration.
